HOW IT WORKS

$59 FOR 2 HOURS OF BOTTOMLESS FROSE

01. GET YOUR WRISTBAND

Head to the bar when you arrive and grab your Bottomless Frose wristband. Your two hours starts when you purchase it, so if you've got a two-hour reservation, we recommend getting in early.

02. PICK YOUR FLAVOUR

Gin Mango, Lychee Lime, Vodka Passionfruit, Midori Fusion or Watermelon Tequila. Choose your flavour, then come back for another.

03. ONE GLASS AT A TIME

Finish your frosty masterpiece, bring your glass back to the frose bar and we'll top you up.

04. REPEAT

Two hours. Unlimited frozen cocktails.

JUST ONE LITTLE RULE:

One glass at a time. Wristbands are non-transferable, and your two-hour package ends at the nominated time. *Flavours are subject to seasonal availability and may change. Please drink responsibly.*
